Approved Fabricator of

OMEGA is proudly owned by McKechnie Aluminium Solutions Limited, who have over 50 years experience in extruding aluminum. This combined with contemporary European design means you get a product that not only looks good but can withstand the demanding weather conditions of New Zealand.

OMEGA and McKechnie Aluminum are the only extrusion business in New Zealand to operate a remelt facility for recycling aluminum retaining all the aluminum's properties. Third party environmentally certified with a high recycled content and therefore low carbon footprint .

OMEGA is the first New Zealand aluminium windows + doors supplier to achieve third-party CEMARS product certification by Enviro-Mark Solutions Ltd.

## RETRO-FIT EXISTING WINDOWS & DOORS

Whether you have Aluminium or Timber frames, we have the retro-fit double glazing solution for you.

Benefits of double glazing;;

- Save money on heating
- Cut down external noise
- Reduce UV damage
- Reduce condensation
- Cooler in the summer

## SHOWERS

Are you planning to update your bathroom or Ensuite in your home, then don't look past the sleek streamlined elegance of a frameless glass shower. We use quiet smooth hardware and 10mm Toughened Glass, for durability and strength. We can custom make them to suit your needs and also offer standard size showers which are more economical for those on tight budgets. Come into our show room and see our showers on display.

## SPLASHBACKS

Glass splash backs are stunning to look at and are easy to clean, they can be installed almost anywhere and made to fit any size. At Invercargill Glass & Mirror, we can supply any colour as well as metallic, or have your favourite picture printed on it. All our splash backs are made with a minimum of 5mm toughened safety glass for strength, safety and long life and are very competitively priced.
